

Arizona College Of Allied Health

Right-to-Know

Arizona College of Allied Health is pleased to provide the following information regarding our institution's graduation/completion rates. The information is provided in compliance with the Higher Education Act of 1965, as amended. The rates reflect the graduation/completion of students who enrolled September 1, 2007 – August 31, 2008 and for whom 150% of the normal time-to-completion has elapsed.

During this time period 292 first-time, full-time, certificate or degree-seeking Undergraduate students entered Arizona College of Allied Health. After 3 years (i.e., as of August 31, 2010) 53% of these students had graduated from our institution or completed their programs.

While reviewing this information, please bear in mind:

- Graduation rate is based on 3 years of attendance that equates to 150% of our longest program.
- Graduation rates do not include students who left the school to serve in the armed forces, on official church missions, or in the foreign service of the federal government. Students who died or were totally and permanently disabled are also excluded.
